**RE: Airport Project: Crane(s) Mobile - Kelowna, BC  
 (See attached document(s))**

Mr. Castorf,

NAV CANADA has evaluated the captioned airport proposal and has no objection to the project as submitted.

In the interest of aviation safety, it is incumbent on NAV CANADA to maintain up-to-date aeronautical publications and issue NOTAM as required. To assist us in that end, we ask that you notify us at least 10 business days prior to the start of crane erection. This notification requirement can be satisfactorily met by returning a completed, signed copy of the attached form and an Excel copy of the attached spreadsheet by email at [commercialrelations@navcanada.ca](mailto:commercialrelations@navcanada.ca).

In the event that you should decide not to proceed with this project, please advise us accordingly so that we may formally close the file.

If you have any questions, contact Stakeholder and Commercial Relations by email at [commercialrelations@navcanada.ca](mailto:commercialrelations@navcanada.ca).

**NAV CANADA's land use evaluation is based on information known as of the date of this letter and is valid for a period of 18 months, subject to any legislative changes impacting land use submissions. Our assessment is limited to the impact of the proposed physical structure on the air navigation system and installations; it neither constitutes nor replaces any approvals or permits required by Transport Canada, other Federal Government departments, Provincial or Municipal land use authorities or any other agency from which approval is required. Innovation, Science and Economic Development Canada addresses any spectrum management issues that may arise from your proposal and consults with NAV CANADA Engineering as deemed necessary.**

This document contains information proprietary to NAV CANADA. Any disclosure or use of this information or any reproduction of this document for other than the specific purpose for which it is intended is expressly prohibited except as NAV CANADA may otherwise agree in writing.

Regards,

**Stakeholder & Commercial Relations  
 NAV CANADA**
